5. The original grant of Rs 25 per mensem to the Orphanage was raised to Rs 50/- in G.O. no. 1463-8/ & 19-9-05 and to Rs 100/- in G.O. no. 635-8/Muz 356-13-4 & 15-9-14. Before the grant was enhanced to Rs 100, the question was thoroughly discussed and the grant sanctioned for 5 years from 1st July 1914. The strength of the orphanage was 23 ~~and~~ when the

grant was raised to Rs 100, fixing Rs 5/- per head. In this connection kind attention is invited to pages 6, 7 & 8 of the office note in the file May 356-18. Besides the above grant, the orphanage derives an income of about Rs 200 per annum from lands in Mirle, granted at an upset price for the benefit of the orphanage.

b. As the present grant of Rs 100 will run only till the end of June of this year, and as the question of its enhancement has come up for consideration, it may be considered now and final orders passed in the matter.

7. The present strength of the orphanage, according to the report of the institution for 1917-18, is 31. Calculated at the rate on which the above sum of Rs 100 was fixed, the grant will have to be raised by about Rs 50. The abnormal rise in the prices of all food articles ^{may have} ~~has~~ also to be taken into consideration ~~when~~ before coming to a decision in the matter.

In view of the high prices of articles all round it is a matter of consideration whether the grant may not be increased to Rs 150/- per month.

 Sir,

1) In continuation of the personal representation of Srimati Singammal, regarding the insufficiency of the grant of Rs.100/- plus Rs.17/8/- by the Government in the Muzrai and the Education Departments respectively, to the Srinivasa Mandiram Orphanage, I beg to lay before you the following facts for favourable consideration and early orders.

2) At present there are 24 orphans in the Orphanage and the amount of Rs.100/- sanctioned by Government is hardly enough to maintain the Orphanage without running into debt, considering the very high prices of all articles required for the purpose.

3) I may also beg to bring to your kind notice that during the late Influenza Epidemic, many parents have fallen victims to the disease, leaving many children destitute. Many such children come and pray for admission and with a heavy heart Srimati Singammal had to refuse ^{them} admission.

4) Under the general supervision of the Committee, she has been devoting all her time and energy exclusively to this noble and philanthropic work and I would earnestly request you to kindly sanction an additional grant of Rs.100/- to meet the heavy expenses and ~~to~~ admit a few more orphan boys.

5) In the Proceedings of the Committee dated 18th October 1918 the Muzrai Superintendent was requested to obtain sanction of Government for a special grant till normal times were restored.

In continuation of my personal representation and a letter dated 5th Feb. 1919 by the President of the above Committee of M.C. - ment re. the insufficiency of the grant of Rs 17/8/- by Govt. in the Mysore Educational Departments respy, I beg to lay before you once again the following facts for your noble Consideration and early orders.

As already represented there are 24 orphans in the orphanage and the amount of Rs 117/8/- sanctioned by Government is hardly enough to maintain the orphans without running into debt every month with regard to the abnormal increase in the price of food stuffs etc, as it is known to all.

I may also be permitted to bring to your kind notice that many children who have lost their parents during the influenza epidemic are coming every day and I have to refuse their admission with a heavy heart for want of sufficient funds to maintain them.

I find it very difficult to run the business of the mandiram so badly as the financial position is very stern. I was expecting all the time that I would get relieved of my grievances from your noble hands the nature of which is explained above.
